

WORK LIGHT SERIES

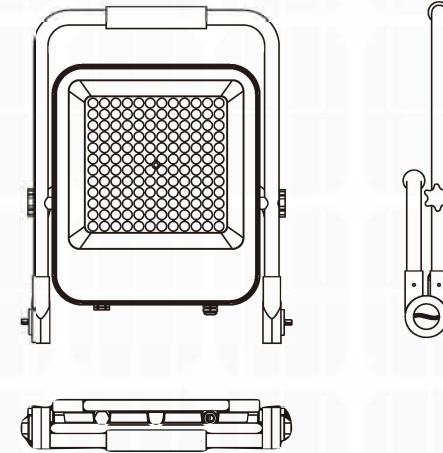

WORK LIGHT

TG01 SERIES

30W 50W 100W

WORK LIGHT SERIES

PRODUCT ADVANTAGES AND FEATURES

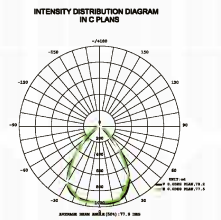

- Four dimming modes: Low brightness
medium brightness
High brightness
SOS flash mode
- USB charging port, it can be charged by power bank, car charger or adapter
- The lamp body can be rotate 360° and the bracket can be adjusted 180°
- Imported optical lens, its luminous efficiency up to 95%

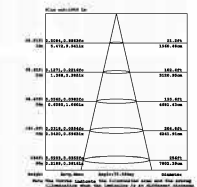

Product Technical Parameters

Model	Luminous	Battery	Mode
TG01-30W	200lm/W	3.7V/5Ah	1)100% power;
TG01-50W	200lm/W	3.7V/10Ah	2)60% power;
TG01-100W	200lm/W	3.7V/15Ah	3)20% power;
			4)Emergency light

Lighting Time Auto Working Mode: Fully charged, can work for 10 hours

100W-Light Distribution Curve

100W-Lux Distance Curve

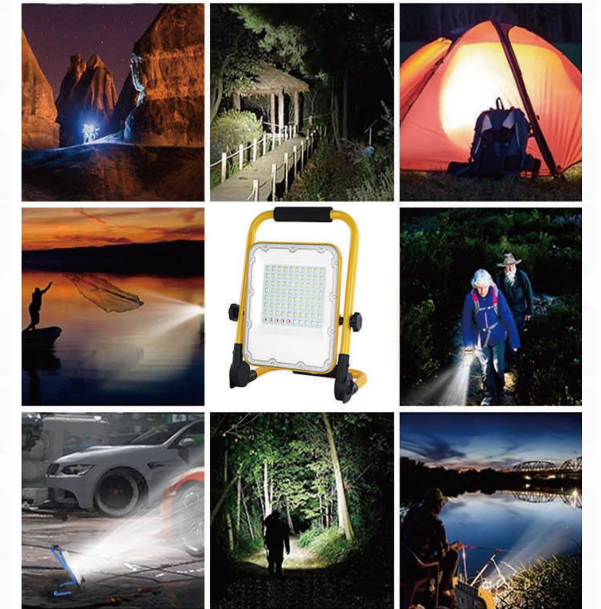

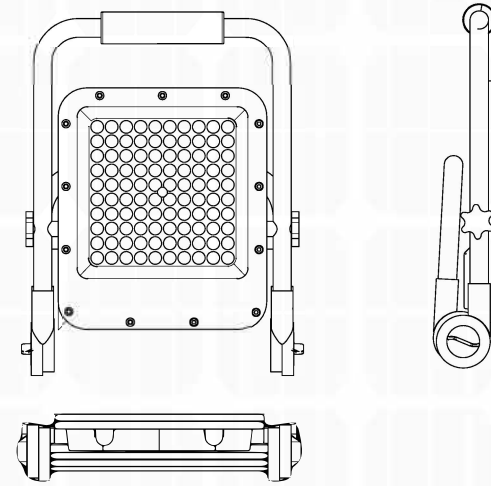

WORK LIGHT

TG05 SERIES

30W 50W 100W

WORK LIGHT SERIES

PRODUCT ADVANTAGES AND FEATURES

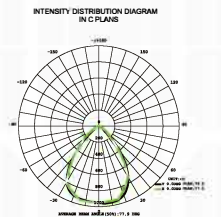

- Four dimming modes: Low brightness, medium brightness, High brightness, SOS flash mode
- USB charging port, it can be charged by power bank, car charger or adapter
- The lamp body can be rotate 360° and the bracket can be adjusted 180°
- Imported optical lens, its luminous efficiency up to 95%

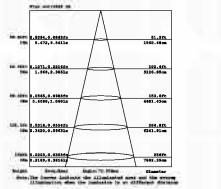

Product Technical Parameters

Model	Luminous	Battery	Mode
TG05-30W	200lm/W	3.7V/5Ah	1)100% power;
TG05-50W	200lm/W	3.7V/10Ah	2)60% power;
TG05-100W	200lm/W	3.7V/15Ah	3)20% power;
			4)Emergency light

Lighting Time Auto Working Mode: Fully charged, can work for 10 hours
